Fiscal Analysis

ASSUMPTIONS:

1. This is the only provision being considered. If other provisions are enacted, the cost associated with this provision may be different.
2. The bill as written will not have an impact on the general fund.
3. The bill will have a negative impact on the PERS trust fund; however, the number of members involved is very small, and the impact is minimal. The impact of this bill may be minimal, but when combined with other legislation, the cumulative affect may require changes in the future, such as increasing contributions.
